To ensure that your child receives the best from Classes and to enable others to enjoy classes, please respect the following rules:

- Classes start on the hour. Please arrive promptly so that you and your child are ready to start the class at the same time as your classmates. Late arrivals disrupt those that arrive on time.
- Please ensure that your mobile phones are switched to silent and refrain from answering calls during class.
- Please ensure that you and your child are wearing socks at all times.
- Please do not eat or feed your child in class. Eating in class is not only disruptive to others, it can lead to the equipment getting dirty. Also, please consider some of the other children's food allergies.
- Please keep talking to a minimum. During the class you are expected to participate with your child. Excessive talking is distracting to others and prevents you from interacting with your child. Pay attention during the class because your child may ask questions later!
- Please note that you are responsible for your own child at all times during Classes.

BY RESPECTING THE ABOVE RULES, WE CAN MAKE CLASSES A MORE WELCOMING ENVIRONMENT.

I have read and fully understand the terms and conditions.
